

Update / General Info for SwimMark clubs April 2018

- a statement to be added to your club membership forms to ensure consistency with the Swim England Membership Department.
- please note elements E13 and E14 now include an updated statement that all club personnel must attend a Safeguarding workshop within 3 months of them starting the role. The current statement of 'within a reasonable time' will be updated to state this requirement and the rule is being enforced from 1 April 2018.
- examples of best practice (for each element) have been added to the SwimMark portal 'Best Practice tab' so please refer to these documents when required.
