

Help shape the future of our Development Meet

Our General Meeting of Clubs on 17 November 2018 will include a forum for discussion on the future of our Development Meet and the format it might take. The Management Committee encourage every club to send a representative if at all possible, with the thoughts and ideas of your club. This is your opportunity to have input and help shape the future of the Meet and ensure your swimmers are given the best possible opportunity for their development.

To help with catering it would be most useful if you could let Fiona Bowen, County Secretary know how many from your club will be attending. Our thanks go to those who have already advised.
