### Bursary Funding

Somerset ASA is pleased to contribute to bursaries which support development.

Funding is available for ASA / UKCC Level 1, Level 2 and Level 3 Teacher and Coach Education Courses for all disciplines by submitting Swim England South West's [application form](#) to nominated County Officer [Colin Christmas](#) (and remember to copy in the Regional Finance Officer) . Please indicate on the form in which year you completed a Somerset ASA Young Volunteer Program if you wish to be considered for an additional £50 County bursary for those who did so.

If you are actively working within a club network you may be eligible for funding from ASA South West Region. Two funding pots are available - please see the below forms for more information. Please note, ASA SWR Swimming Committee will not fund Diving, Open Water, Synchronised Swimming or Water Polo activities. For any queries on the funding available please contact Stephanie Gadd,
