

Weston-super-Mare's Open Water Series 2018

Post publication Note: The third and final event in the series has been cancelled and Weston-super-Mare SC have notified all registered competitors by email.

Entries are no longer being accepted for Weston-super-Mare's Open Water Development Series at Clevedon Marine Lake ([map link](#)).

The Series has been designed to start at the beginning of the open water season in May 2018 and finish at the end of the open water season in September 2018, which coincides with the beginning of the swimming season.

This event is being supported by [Marlens](#) , the charity behind Clevedon Marine Lake and is also supported by Somerset ASA. [Weston-super-Mare Swimming Club](#) has teamed up with [The Salt House](#) next to the lake to offer food and drink for each event.

The Series will be held over three dates (see below) and is open to all Clubs in the South West and beyond.

The Club aims to raise the profile of open water swimming by offering competitive opportunities which will develop the next generation of Open Water swimmers in Age, Youth and Masters swimming and Triathletes.
