The first response for volunteers is requested by Friday 10 January. If not enough volunteers or clubs have been forthcoming Kelly will do as she has previously and allocate roles and sessions for clubs to cover.

Official Printed Programme

There will not be an official printed programme the heat sheets will be available on Meet Mobile and to download from the Somerset ASA website from the Friday before each weekend. This will be as accurate as possible. Please can Clubs encourage parents to use either Meet Mobile or printed versions from the website as there will be no printed versions available on the day.

Hats & Hoodies

We are really pleased to say that SwimPath will be selling Championship branded hats and hoodies. The hoodies will have all names of swimmers competing printed on the back and we hope you like the new design for this year.

There will be stock of these items at each weekend. The last chance to pre-order online will be Sunday 2 February 2020 via this link: <https://go.swimpath.co.uk/Event-Merchandise>. The hoodies will not be available after the Counties have concluded.

Scoreboard – Sunday 19 January 2020

We have been advised that there is a possibility that we will not have the scoreboard on this date as it is being replaced. Please ensure you advise all your swimmers and spectators so that they are not disappointed.

Meet Managers for the event

Kelly will be supported again this year by Neil Chambers (Wells SC) and Paul Chambers (Clevedon ASC). If anyone else would like to offer their help on sessions, either to shadow to gain experience or has experience of running events, Kelly would be very happy to hear from you. The more people we can get involved in the running and organising of your events will only strengthen the skills and knowledge in the County.

Thank you all for your support and we look forward to seeing you all at the Championships

Kelly Podbury
