- 
- It will be exciting to see the 100m IM event return to the Counties
  - The first day will be short course and include the 100m IM. It is designed to be a team day and we encourage Clubs to enter as many relay events as possible - the more they enter, the more points they could accrue towards the big trophies.
  - Trophies will be presented on the balcony and when the podium is not in use, swimmers can use it for photo shoots for when they win their Age Group medals.

Please collect Pre-ordered Your Swim Hats and Hoodies from Swimpath. Note p

re-orders closed on 2 Feb. The hoodies will not be available after the Counties conclude. Please view the [mock-up designs](#) .
