The National Deaf Children's Society have created the BSL for swimming videos to support clubs and coaches learn some quick and simple BSL related to swimming. The videos are produced as part of the Me2 Deaf-Friendly Project, in partnership with the Amateur Swimming Association. To find out more about the project and how you can support deaf children and young people to participate in sport please visit www.ndcs.org.uk/me2.

Presenter: Lilli Risner

Video via deafdirect: A Beginner's Vocabulary.
